"In Memory of Dr. Chubb" Sally Smith

I took classes from Dr. Chubb for 21 years: Harmony of World Religions, Buddhism, Hinduism, Sri Aurobindo's Yoga, etc. Dr. Chubb was very knowledgeable, very clear in his instructions, and gave suggestions for each of us "improving our life, Dr. Chubb's quotes":

① "When you wake up in the morning say to yourself, 'Everything is unconditionally all right. I am at peace.'"

② "Detach yourself from your thoughts. Don't worry about the past or fear the future. Reject these thoughts."

Positive changes happened in my life due to knowing and studying with Dr. Chubb. I am very thankful that I was blessed with a relationship with him. He was a remarkable man.
